

“Education is not preparation for life; education is life itself.”

**CLASS – III**

**EXTENSIVE CURRICULUM**

**(2025-2026)**

Syllabus

**KALKA PUBLIC SCHOOL  
ALAKNANDA, NEW DELHI**

# EXTENSIVE CURRICULUM

**KALKA PUBLIC SCHOOL** is strongly committed to *extensive education*, a *holistic approach* that unifies diverse subject matter around a central theme, creating a depth of interest and understanding often absent in traditional approach to curriculum.

## PUPILS INTERESTS

Each termly theme is based on our pupil's interests, the local environment access. We have to support our pupils learning both in school and in the community and extending their experiences beyond the local area.

**VISION:** A holistic curriculum for producing responsible citizens equipped with productive skills.

**MISSION:** To develop curricula and instructional materials for equitable and quality education through research, innovation and stakeholder involvement.

**CORE VALUES:** Team work, leadership, integrity, equity, excellence

## PERSONALISED LEARNING:

We provide a learning journey which is unique to each child and which is based on learner's ownership. It is practical, experiential and fun.

**"Personalized learning means engaging pupils in partnership with teachers and support staff to deliver a tailor-made service for students, so that they can achieve the highest possible standards."**

## KEY AREAS OF LEARNING:

The teaching and learning staff team have worked together to build motivational and relevant themes which are focused on the key areas of learning for our pupils.

- Communication.
- Gross motor skills.
- Fine motor skills.
- Thinking skills.
- Personal and social development.

## Holistic Development

## HOLISTIC CURRICULUM:

Our holistic curriculum encourages children to make connection in a subject using their creative skills. It interests curiosity and develops better social and communication skills. Three main approaches are:

- **Experiential learning**
- **Structural learning**
- **Independent learning**
